

Virginia ACL Users Group

Meeting Minutes October 18, 2004

General

- The meeting was held at the Williamsburg Marriott Hotel in conjunction with the IIA Mid-Atlantic Regional Conference.
- Twenty people attended the meeting.
- The meeting began at 5:00pm and adjourned at 6:30pm.

Speaker & Main Presentation

- Fred Wechselberger, ACL Account Executive was the speaker. Fred has a background in accounting and finance and more than 8 years experience in his current field.
- Fred's presentation highlighted ACL Client / Server System and how this new system provides simple, flexible and real time data access.
 - Currently, five Editions of ACL Server are available: AIX, Windows, OS/390, LINUX, and OS/400.
 - Benefits and challenges of ACL Server were discussed.
- Fred also opened the floor to all to discuss any ACL questions, likes, dislikes, etc. A broad range of ACL topics were then addressed and openly discussed.
- XBRL was also discussed.
- CPE certificates were not available at the time of the meeting but will be provided to all attendees.

Officer Elections

- Charley Gauntt, Vice President made a proposal to elect new officers. A slate was presented. Attendees voted and elected the following officers.
 - President, Charley Gauntt
 - Vice President, Kristen Anliker
